

## **Payment Authorization**

I authorize the Citizens Driving School to electronically debit the personal bank account or the business bank account of which I am an authorized signor as identified above the terms stated here and if necessary to electronically credit the bank account to correct erroneous debits. This authorization shall remain in effect until the Citizens Driving School receives written notification from me of my intent to terminate and revoke this authorization at such time and in such manner as to afford the Business identified above, the Service Provider, and/or the bank reasonable opportunity to act (Minimum 30 days).

I understand that if the total amount owed to the Citizens Driving School increased, I authorize this plan to continue so long as the payment amount and frequency remains unchanged until the total amount owed to the Citizens Driving School is paid full, or unless the plan is terminated or revoked earlier by me as above. I understand that the timing of the revocation may not allow for scheduled payments to be stopped.

I understand any additional amounts and/or changes to the amount, frequency, or bank account number will require a new ACH Debit Payment Authorization Form to be filled out and submitted to Citizens Driving School at least 15 days prior to being implemented to afford the Citizens Driving School a reasonable opportunity to act.

I understand that this payment plan may be cancelled by the Citizens Driving School, the Service provider, and/or the bank due to NSF (Non-sufficient Funds). I will liable to pay an NSF fee of \$25.00 (or the amount allowable by law), which may be automatically debited for each NSF.

I represent and warrant that I am authorized to execute this payment for the purpose of implementing this payment plan with the Citizens Driving School. I indemnify and hold the Citizens Driving School harmless from damage, loss or claim resulting from all authorized actions hereunder.
